LB 462, 504, 111

CLERK: Read LB 462. There are no committee amendments Mr. President. There are amendments offered by Senator Duis as follows: read amendment.

PRESIDENT: Senator Dworak for what purpose do you ask recognition?

SENATOR DWORAK: Mr. President, the committee did have amendments and we didn't get them on in time and Senator Duis agreed to present those amendments at this time. These would be committee amendments had we had them...I think had happened within our own staff.

PRESIDENT: For that purpose, we'll consider these committee amendments, then we'll discuss the bill. Thank you. Senator Duis.

SENATOR DUIS: Mr. President, members of the Legislature. This amendment merely gave the authority for the Revisor of Regulation to collect the payments that these individual or firms will make to make distribution of those particular funds. That's all that this particular amendment did. I would ask for the adoption of the amendment.

PRESIDENT: Any further discussion on the committee amendments? Record your vote on their adoption. Please vote. Record the vote.

CLERK: 25 ayes, 0 nays.

PRESIDENT: The committee amendments are adopted. Senator Duis.

SENATOR DUIS: Now Mr. President, I move that LB 462 be advanced to E & R Initial. LB 462 just allows the Revisor of Regulations to establish and maintain a list of subscribers wishing to receive a notice of hearings, pending adoptions, amendments, changes or repeals of any rules of any state agency, and shall provide for such notice to such subscribers at a cost to be assessed against each one of the subscribers. This is done mainly for those who are interested in particular rules and regulations from agencies who can establish a list over at the Revisor of Rules and Regulations and they can receive them providing that they pay the entire cost of receiving them. That is an explanation of the bill. If there are any questions, I'll be glad to attempt to answer them.

PRESIDENT: Any further discussion? The question is the advancement of the bill. Record your vote. Record.

CLERK: 28 ayes, 0 nays on motion to advance.

PRESIDENT: The bill is advanced. LB 504.

CLERK: Mr. President, there's a request for unanimous consent to bracket 504 til April 5. Signed Senator Maresh.

PRESIDENT: Is there an objection? Seeing none, it's so ordered. LB 111, Senator Stoney.

CLERK: Read LB 111. There are committee amendments by Senator Barnett's Judiciary Committee.
